2. TAX STRATEGY

2.1 Processes and procedures concerning tax obligations

The Company has processes in place to manage and ensure the proper performance of its obligations under tax law. The processes have been established and are applied in accordance with applicable Polish law.

The processes applied by the Company relate to the fulfilment of obligations relating to the timely submission of tax returns, and reporting and payment of taxes that the Company is obliged to pay, regardless of the form in which they are collected. The Company applies internal processes concerning, *inter alia*:

- (a) prevention of non-compliance with the obligation to provide information on tax schemes (MDR);
- (b) verification of contractors and invoices for VAT.

The processes serve to ensure that tax obligations are performed in compliance with applicable laws. The processes applied by the Company are updated on an ongoing basis and are subject to changes in accordance with the applicable legal regulations. In addition, the Company also applies other practices

related to tax obligations in order to be able to properly comply with its tax obligations, including the use of external advisory firms when complying with its obligations under the transfer pricing laws.

2.2 Voluntary forms of cooperation with the National Tax Administration bodies

The Company aims to cooperate with the National Tax Administration bodies based on factual and transparent communication, and mutual trust. The cooperation includes - depending on the situation - communication with the tax authorities aimed at providing up-to-date information on the tax implications of the activities carried out by the Company, as well as providing substantive responses to questions posed by the National Tax Administration bodies within the framework of ongoing proceedings.

3. FULFILLING TAX OBLIGATIONS IN POLAND

The Company pays due taxes in Poland, irrespective of the manner in which they are collected, including corporate income tax (CIT) and tax on goods and services (VAT). The Company also makes due advance payments on account of personal income tax on salaries paid to individuals employed at the Company.

With respect to taxes paid in Poland, the Company maintains accounting books as required by generally applicable laws, fulfils its obligations to fill in and submit appropriate tax returns, records, structures of uniform control files (JPK), forms, reports, statements or other information or documents that the Company is required to prepare under tax law.

The Company exercises due diligence in verifying the correct tax rates and the applicability of exemptions provided for in the tax legislation.

The amounts of revenue, tax deductible costs, income and due tax reported by the Company are published in the Public Information Bulletin on the website of the Ministry of Finance, pursuant to Article 27b of the CIT Act.

The Company fulfils its obligations regarding tax schemes based on an internal procedure related to preventing non-compliance with the obligation to provide information on tax schemes (MDR). In Tax Year 2021, the Company did not identify or report any arrangements that might constitute a tax scheme.
